

dualseal
a vandaglas company

vacancy

Glass Operatives (weekend and days shifts)

About the role

- Manual Handling of sheet glass. Experience in this field is not required, however experience in manual handling is preferred. This is a busy, physically demanding role.
- Strict adherence and understanding of health and safety procedures.
- Ensuring compliance with the Company Safety, Health and Environmental Policies and ensuring all provided PPE is worn at all times where applicable.
- Ensuring the individual adheres to all quality policies in place throughout the business, and has a clear attention to detail.
- **Essential:** experience within a factory environment operating production machinery.

About You

- Previous experience within a manufacturing role is required.
- A positive, can-do attitude.
- A focus on good attendance and punctuality.
- High quality standards and pride in your work.
- Motivated to work as part of a team and communicate well with fellow employees.

The benefits

- 21 days holiday (pro rata), plus bank holidays.
- Enrolment in company pension scheme.
- Opportunity to gain qualifications and learn.

We have three roles on offer with differing shift patterns, one of which is Monday-Thursday 6am-4pm, Monday-Friday 6am-2pm and Friday-Sunday 6am-6pm. The rate of pay will depend upon the shift and experience, starting at £9.85 per hour.
